CAR WASH SYSTEMS™

**STELLAR IN ANY SITUATION. DESIGNED FOR THE RETAIL OPERATOR**

Get the best of both worlds with the EVOLUTION<sup>®</sup>. Uniting the strengths of soft-touch car wash methods with touch-free technology, you give your customers the freedom of choice with the height of modern car washing systems. The AUTEC team is happy to help you select the best features to not only serve your customers, but also wow them! From multicolor foaming soap, infused with delightful fragrances, to an undercarriage wash, you gain a veritable treasure trove of options.

## ADVANCED HYBRID

Our decades of experience have culminated in this contemporary, one-of-a-kind design. As the best of both worlds, your EVOLUTION<sup>®</sup> is truly evolved.

## THE AUTEC EXPERTS

Your success is our success. From discussion to installation to ongoing guidance, our experts are with you for the long haul.

## EXHAUSTIVE FEATURES

Select exactly what suits your location with our most thorough feature set of all AUTEC car wash systems, from heated foamy presoak to multiple post rinse arches.
